# “BIODIVERSITY & NUTRITION”, DISCOVER MISTURA 2014.

On its seventh edition, the International Gastronomy Festival of Lima tributes Peru's rich biodiversity. Thousands of people will visit Mistura to celebrate the extraordinary repertory of species and emblematic products that sustain the gastronomy everyone's talking about. Restaurants, “huariques” and food trucks, domestic producers, famous chefs, forums, an International Gastronomic Encounter and other novelties will surprise again visitors from all around the world. Lima will host this festival during ten days where you can taste all the flavors of Perú in one place.
