

23. CzechInvest Services and Useful Contacts

The Investment and Business Development Agency CzechInvest is a state contributory organization subordinate to the Ministry of Industry and Trade of the Czech Republic.

In arranging investments, CzechInvest focuses on key sectors of the Czech economy, both in the manufacturing industry (production) and in research, development and services (technology centers and business support services).

CzechInvest promotes the Czech Republic abroad as a suitable destination for investments. It is the exclusive organization that may submit applications for investment incentives to the governing bodies. The agency also supports Czech firms that are interested in becoming involved in the supply chains of multinational companies. Through its services and development programs, CzechInvest contributes to the development of domestic firms, Czech and foreign investors and the business environment as a whole.

In 2017, the Investment and Business Development Agency CzechInvest celebrated its 25th anniversary. The value of investments arranged by the agency to date approaches CZK 1 trillion (41,835 million USD).

Among our services, which are free of charge, you would find:

- Assistance during implementation of investment projects;
- Consulting services for foreign investors entering the Czech market;
- AfterCare services for foreign investors that are already operating on the Czech market;
- Administration of a business-property database;
- Support for suppliers – administration of a database of Czech supplier firms;
- Mediation of state investment aid;
- Mediation of contact with state administrative bodies and local authorities;
- Partnering with entities in the research and development and academic spheres;
- Assistance for the development of innovative start-up firms by means of the agency's programs.

Foreign Offices

The locations of our foreign representations correlate with the regions of the world where the CzechInvest gains most of the investment as well as with these which we think are promising for the future. The mission of our representatives abroad is to be the first contact point for prospective investors as well as to actively seek new opportunities and spread the word about the Czech Republic.

Up to this day, the agency is active in 9 territories.

America: Canada (Toronto), USA (New York & San Francisco);

Asia: China (Shanghai), Japan (Tokyo), South Korea (Seoul);

Europe: Germany (Düsseldorf), Russia (Moscow), UK & Ireland (London), Scandinavia (Flying representative).

Regional Offices

In the same manner, the CzechInvest has its branches in each of the 14 regions of the Czech Republic. The advantage of those offices is their direct presence in the field. Thus, their aim is to monitor a region's investment environment, to cooperate with interested as well as already established businesses, and to negotiate with local authorities.

More information concerning the Czech regions is to be found in the Fact Sheet No.21 - Regions of the Czech Republic.
